PROJECT

ADAC administration building, Esslingen

- ADAC intends to buy a property of approx. 5,650 m² in the Esslingen Weil industrial estate
- The five-floor administration building is to be erected on the northeastern side
- The commercial building is to have a full basement comprising an underground car park
- Cellar rooms are also to be built outside the ground plan of the building

OUR SERVICES

- Subsoil investigation
- Subsoil evaluation and foundation works consulting
- Evaluation of existing contamination
