PROJECT

Am Scharpenacken II, Wuppertal

- A housing estate of 10 semi-detached houses and 26 terraced houses is to be built on Heinz-Fangman-Straße on a part of the former Generaloberst Hoepfner Barracks in Wuppertal
- This necessitates an examination of the foundation material of the former exercise yard
- Requirements will also be laid down for the foundations of the proposed development

OUR SERVICES

- Rough analysis of the foundation material
- PAC analysis
- Subsoil report
- Recommendations on the foundations of the housing development and the erection of the proposed residential/ service street
- Geotechnical support for civil engineering works
